WITH CAROL, TRAVEL DIRECTOR FOR WESTERN USA & NATIONAL PARKS

Acute cultural knowledge combined with our unmatched access and insights, makes your Travel Director the perfect person to have by your side.

The level of service our team offers is the most important thing for us, and we take the time to get to know you and make your vacation special, and personal. Even before your tour starts, we form a connection making sure all details are taken care of and turn any of your stresses to seamless, instantly.

We know the tiny touches that make a big difference when we're on the road, like having a chilled wet wipe ready after a hot or dusty experience in one of our magnificent National Parks, or a pick-me-up drink or a sweet treat on hand at just the right moment, or details like our Drivers keeping our 'Business Class' style coaches clean, tidy and fresh at all times. I also love sharing photos and creating little videos of the trip with a link for you to download and share. Personalized service and attention to detail is something that comes naturally to our team.

Even after all these years the experiences and access available to Insight Vacations guests still amaze me. For example, shutting down a 250-acre ranch exclusively for us wouldn't happen for anyone. Our Ucross Ranch experience in Wyoming is something pretty special. With unrestricted access, courtesy of the owners, you can indulge in every aspect of ranch life. Whether it's the tranquil pastime of fishing or relaxing on the deck of the ranch house, soaking in the beauty of the area where all worries fade away, tours rarely provide such a serene experience. Within the vistas of rolling hills, I often hear guests say, "I have never ridden a horse and I'd like to try," or "it's been 50 years since I rode a horse". The chance to do either within acres of ranch land creates a calmness that is something truly special. Guests never want to leave.

It's important to develop an understanding of history, both past and present, and its impact on the future. For Insight Vacations guests, this is threaded through every experience we offer, come day or night. I take great pride in sharing my knowledge with you and am always enriching my understanding of destinations. Some particular

favourites on my tour series are 'Canyon Tim' geology of the Grand Canyon talk, it creates a connection with the canyon in a unique and memorable way. Or the cookout experience in Monument Valley: not only are the views incredible, guests learn about and connect with the Navajo culture and history facilitated by a member of the Navajo Nation. And of course, the face-to-face experience on the top of the Crazy Horse Memorial is a jaw dropping and memorial experience. These exclusive experiences, unattainable on their own, add an unparalleled depth to your journey, ensuring it's truly unforgettable.

It isn't just incredible views on offer either, we also have bucket-list stay after bucket-list stay. Far View Lodge at the top of the mesa at Mesa Verde National Park with a view of over 50 miles into 3 states, or at Old Faithful Snow Lodge in Yellowstone National Park, you are steps away from views of hot springs and geysers erupting at sunrise, sunset or any time in between...need I say more? **Our travel experiences offer far beyond just an experience; they provide memories to re-live over and over again.**

“As Travel Directors, we love fostering a collaborative spirit that bonds each group on a shared adventure into the sights and insights of each destination.”

MAKE YOUR TRAVELS A FORCE FOR GOOD

Travel has the transformative power to create a positive impact to not only you, but the locals of the destinations you visit. As a tour company, we're driven by the mission to protect the world as we know it for future generations to discover. We pledge to making a positive impact on not only the people and communities we visit, but also by protecting the wildlife we encounter and conserving the natural resources of the planet we call home. This comes to life through our 5-year sustainability strategy How We Tread Right (HWTR) and our not-for-profit TreadRight Foundation, which supports sustainable travel initiatives worldwide, with a focus on nature-based solutions to the climate crisis.

THE 5-YEAR STRATEGY

How We Tread Right (HWTR), is our guiding light when it comes to addressing the impact of our business and trips. It consists of 11 measurable goals which address the issues of climate change, sustainable food production, waste reduction, travel experiences, diversity and inclusion, and wildlife, all anchored to the United Nations Sustainable Development Goals (SDGs).

OUR JOURNEY TO NET ZERO

Since the inception of our sustainability strategy, the global community has continued to rally in response to the urgent need for climate action. We're committed to achieve net zero greenhouse gas (GHG) emissions by the year 2050. Our dedication to this goal is outlined in our Climate Action Plan, with science-based targets that address our carbon footprint. We are proud of the fact that, alongside our sister brands, we became the first global tour operator to have near-term, long-term and net zero targets that are validated by the Science Based Target initiative (SBTi).
